GAO

1. (Unclassified - MG) LIAISON Received a call from Ramona, in the office of Senator H. John Heinz (R., Pa.), who requested a copy of the CIA publication "International Terrorism in 1976" and any other unclassified studies we may have on terrorism. I told her I would check to see what we could send to her.

2. (Unclassified - MG) EMPLOYMENT Received a call from Charles Brimmer, in the office of Representative Kenneth Holland (D., S. Car.), who requested a professional employment package for a constituent. OLC Registry will forward the material.

3. (Unclassified - MG) FOIA Received a call from Sylvia Spencer, in the office of Representative Morris K. Udall (D., Ariz.), who asked for the name of the Information and Privacy Coordinator. Mr. Gene F. Wilson's name was given to her.

4. (Unclassified - THW) LIAISON I spoke at length with Mark Bisnow, Legislative Assistant to Senator H. John Heinz, III (R., Pa.), and characterized for him the sources of the information contained in our 17 February 1978 letter to the Senate Banking, Housing and Urban Affairs Committee and gave him a feeling for our estimation of the reliability of the sources.

5. (Internal Use Only - THW) LIAISON Frank Conahan, Associate Director, International Division, GAO, called as focal point for GAO, and stated that GAO still planned to do the three studies of sensitive intelligence activities which had first surfaced during August 1977. He asked that we expedite the clearances for three GAO staffers who would be doing the studies. I told him that initially we had turned down the request for clearances but would take another look at it to see where the matter stands.
